

## Our Organization

NYSCA is a statewide professional association, comprised entirely of practicing Doctors of Chiropractic, who have joined together in the promotion, advancement and defense of Chiropractic.

NYSCA is governed by an elected Board of Directors and a House of Delegates. All governing officials are licensed and practicing Chiropractors, who volunteer their time and efforts and pay full membership dues.

New York State is divided into seventeen regional districts, each has its' own elected officials, and hosts monthly meetings and events.

## NYSCA Events

NYSCA presents three major state-wide conferences each year. These events including some of the nations most notable speakers, presenting on the latest topics in Chiropractic. Many of these lectures are offered for Continuing Education credit.

These events also showcase the finest suppliers of Chiropractic equipment and services. NYSCA members are eligible for special discounts from many of these merchants and providers.

**Our Mission**

*NYSCA brings together **Chiropractic** professionals in an effort to:*

- To **enhance** the public health by assuring universal access to safe and effective health care.
- To **lead** chiropractic toward full integration in the evolving health care delivery system as the treatment of choice for the conservative management of neuromusculoskeletal dysfunction.
- To **advance** research, elevate the educational standards of the profession, and embrace the highest professional ethics and standards.
- To **assist** the Doctor of Chiropractic - the patient's advocate - in delivering accountable, coordinated, patient oriented care to people of all ages.

**Our Method**

**Education**

NYSCA presents ongoing Continuing Education seminars throughout the state enabling members to easily and economically fulfill their licensing requirements. Seminars cover such topics as:

- Proper practice procedures
- Technique and diagnosis
- Evidence Based Best-practices and Integration
- Insurance Coding
- Patient Law and HIPAA compliance

**Legal Advocacy**

NYSCA monitors all legislation in NYS that affects the Chiropractic profession. In conjunction with our full time lobbyist in Albany, NYSCA works to protect and expand practice rights, and the services provided under NYS workers compensation and auto-no fault.

**Representation**

NYSCA represents chiropractic interests to the NYS Education Department, Chiropractic Licensing Board, the State Departments of Insurance and Health and the Worker's Compensation Board.

*"NYSCA membership provides Chiropractors in New York State an unparalleled opportunity to advance their profession, by adding their voice of the unified defense of practice rights, scope of practice and a rightful place among mainstream Health Care."*

**- Jack Beige, DC JD**  
NYSCA Past President

**Our Means**

**Community**

NYSCA provides Chiropractors the opportunity to share their struggles and successes while working for the collective betterment of the Chiropractic profession.

**Communication**

NYSCA keeps its membership up to date on issues affecting chiropractic through its bi-monthly newsletter "On the Agenda" regular fax updates and through our website:

**[www.NYSCA.com](http://www.NYSCA.com)**

NYSCA maintains a dramatic presence online. Our website is updated on a daily basis, providing breaking news on Chiropractic. The 'members only' section allow doctors to instantly update information on their practice, as well as access to JMPT online.

Our website also serves as an important resource for patients; allowing them to find information on Chiropractic, as well as locating a doctor by searching our membership database based on their hometown, zip-code, or even the doctor's name.
